If the promotion participant is not already a member, RFCU will provide the initial $5.00 share balance for the share savings account if account is opened in branch, which must be maintained at all times. In order to receive the bonus, the participating member must make at least five point of sale (POS) purchases with the debit card associated with the new checking account and must set up and log in to RFCU’s online banking at least one time within the first 30 days of opening checking account. ATM withdrawals do not constitute POS purchases. The bonus can expire at any time without prior notice. Bonus will be deposited into the member’s checking account within sixty (60) days of account opening, but no later than March 1, 2022, if all requirements are met. This offer cannot be combined with any other promotional offers. The bonus applies only to accounts opened on or before December 31, 2021. Promotion limited to one bonus per participant member. As of October 1, 2021, the Annual Percentage Yield (APY) for the primary share savings account is 0.10% and is subject to change monthly after share saving account is opened. There is no minimum balance required to earn the disclosed APY. The APY is accurate as of the last dividend declaration date. Fees and other conditions could reduce the earnings on the account. Please contact RFCU for current share savings rate information. Age and other restrictions apply.
